building and social awareness

CAREER OBJECTIVE

I'm a Web and Shopify Developer with 3+ years of experience in the IT industry. I specialize in developing and customizing Shopify themes, creating responsive and high-performance websites. I believe in hard work and always strive to deliver high-quality results on time. For me, time management and consistent effort are key to achieving excellence in every project.

WORK EXPERIENCE (3+ year experience)

Parkhya Solution Pvt. Ltd.

Sep 2022 - Nov 2024

Indore

- Developed and maintained multiple Shopify stores from start to finish, ensuring fast loading speed and seamless functionality.
- Set up complete Shopify stores including theme customization, navigation, and product configuration.
- Fixed various bugs and technical issues across different Shopify projects to maintain smooth performance.

IT Geeks Technologies Pvt. Ltd. & EasyComm Innovation Pvt. Ltd.

Nov 2024 - Jan 2026

Indore

- Working on Shopify theme development and customization, ensuring high performance and usability.
- Contributed to two published Shopify themes — Igloo and Energy — available on the Shopify Theme Store.
- Responsible for theme updates, client support, and implementing requested customizations.
- Currently involved in new theme development, focusing on clean UI, responsive design, and optimized speed.
- Also working on the company's Easy Subscription App, where I design and integrate custom widgets based on client requirements.

Metastori (Codenest innovation LLP)

Jan 2026 - Present

Indore

- Handling custom client requirements, including advanced features, UI enhancements, and bug fixes.
- Contributing to new projects, including Lyft-related development and integrations.
